1. In January 1952, LI Chih-ch'iang (黎智常), superintendent of vessels in Bias Bay, ordered all fishing boats to remain in the bay during January while 80 old vessels loaded with ballast were sunk at Mentusha (114-52, 22-32) and Shamen (114-39, 22-26) at the mouth of the bay and 40 mines were laid around the sunken vessels. The only entrance to the bay is at a point east of Mentusha, where the Harbor Control Office checks all ships entering and leaving the area. This entrance is within range of heavy guns at P'inghai (114-53, 22-37).
